Industry Services Coordinator

The Almond Board of California (ABC), a Modesto based organization, is inviting applications for the new Industry Services Coordinator position that reports to the Associate Director, Marketing Order Services. The person chosen for this position will be tasked with providing outreach on ABC initiatives and programs to growers and handlers. Key duties will also involve educating stakeholders on marketing order requirement and coordinating compliance/audit related activities. We are seeking candidates who have general agricultural based knowledge and experience. An understanding of almond specific practices and some technical experience in quality, processing and/or farming is also desirable.

Prospective applicants are encouraged to review the detailed job description for this position by accessing the ABC website: www.almondboard.com.

Interested applicants must contact Tom Van Groningen tv9047s@aol.com Search Consultant for detailed information regarding the application process.

The Almond Board of California is a Federal Marketing Order under the supervision of the U.S. Department of Agriculture. The Almond Board of California is an equal opportunity employer and prohibits discrimination on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, marital or familial status.
